## **Nittany Meadow Farm introduces ‘Goats2Go’**

**Ribbon cutting, free goat snuggles this Friday in State College**

State College, PA, Nov. 16, 2022 – Happy Valley Agventures will help Nittany Meadow Farm unveil its new “Goats2Go” van with a ribbon-cutting event at **noon Friday, Nov. 18 in the MLK Jr. Plaza on Fraser Street in downtown State College.**

“Goats2Go” received grant funding earlier this year from Happy Valley Agventures, the joint agritourism initiative of The Happy Valley Adventure Bureau (HVAB) and the Chamber of Business & Industry of Centre County (CBICC).

“Nittany Meadow Farm has seen tremendous interest in its popular goat yoga sessions and opportunities for visitors to interact with these very social animals at their historic farm,” said HVAB President and CEO Fritz Smith. “This barn on wheels opens up new engagement opportunities, and is such a unique and fun way to bring their farm to the people.”

Added CBICC President and CEO Greg Scott, “The Chamber and the HVAB are so pleased to have played a role in helping Nittany Meadow Farm turn their idea into reality. ‘Goats2Go’ is a charming addition to a growing list of agritourism destinations and experiences in Centre County.”

Following the ribbon cutting, students and the public will have a chance to meet and interact with Nittany Meadow Farm’s adorable goats in the new mobile barn. Free goat snuggles will be available until 1 p.m.

Complimentary hot chocolate will also be available.
